Reminders \* All children need water bottles daily. They need to be labeled with your child's name. Even on cooler days we still need to drink water!

\*It is sweatshirt/ jacket season! LABEL LABEL LABEL!!! Please be mindful and label your child's sweatshirts and jackets so we can get it back to you!!

\*Please be sure we have extra clothes for your child and that they're weather appropriate. Please check your child's bin in the bathroom to be sure they have extra clothes that are weather appropriate. If your child isn't potty trained, please ask your child teacher if they can check their clothes bin in their classroom, or bring in extra clothes and we will send home the old clothes.

\*Please let us know if your emergency contacts have changed, your cell phone number or address.

\*Please call or message the school if your child/ children will not be in. Call or message the school. Please refrain from messaging a teacher personally, they might not be in that day.

\* Please send in appropriate utensils for your child's lunch. If they have a heat up, please be sure to send in a plate with your child's lunch if needed. We cannot heat up lunches that are mixed in with snacks or non-heat up foods.

\* My girls work long and hard days, when they go home, they should be able to turn off work and spend time with their family. Please refrain from messaging them privately after hours. This isn't fair to them. If there is an emergency message the school page and Diana will get back to you ASAP
