

October Newsletter

Columbus Day October 13th is Columbus Day and many people have off, if your child will not be here, please let us know for staffing!

Pumpkin Patch and Hayride We will have a pumpkin patch and hayride set up here for the children. All children are welcome to come on Thursday October 9th. Please have your children here by 9 am. If it rains, we will reschedule to Thursday the 23rd!

Halloween Party on Friday, October 31st will have a Halloween Party. All children are invited. Please have the children here by 9 am so no one misses out on the fun! Please send in a bag of treats for your child to "trick or treat" with their friends. Children in the Kitchen class need 20 treats, the blue room children need 20 treats, the pink room children need 20 treats, and the yellow room children need 22 treats. There will also be a list outside each classroom to sign up to bring in goodies for the party. **No weapons for costumes and please have everything labeled.**

Water Bottles Even though the weather will be getting cooler, all children still need water bottles daily. Please make sure they are labeled and that there is ONLY water, no juice!

Sick Child If your child is experiencing any symptoms that can put other children at risk, please keep them home and get them to a doctor. We have several children in our school with weaker immunity and also ones who will seize from a low-grade temp. Please be mindful to the other children and parents.

Flu Shots Please be sure to update your child's shot record. Every child between the ages of 6 months and 5 years are required to have a flu shot before December 31st, 2025. We have our annual audit after the holidays and your child needs to be up to date on their vaccines!

Weather Appropriate Clothes Please make sure your child has weather appropriate clothes. We go outside every day, as long as it isn't raining. Also pack warmer clothes for the extra clothes bin in bathroom. Please LABEL everything!!!

Lunch Boxes Please be sure to send in any utensils, plates, and napkins your child needs for their lunch. We cannot supply them every day. Also keep in mind that heat up lunches should be in microwavable containers and should not take more than a minute to heat up. We cannot heat up food that is also in the same container as cheese, fruit and other snacks.

Sheets and Blankets Your child needs a sheet and blanket for nap time every day. They also need to be in a bag that's labeled. Kitchen room children only need a blanket.

October's Good Deed We will be doing 4 bakesales this month: Oct 7th, 15th, 23rd, and 29th. All proceeds will go to Vetworks, a nonprofit organization that supports veterans.

Have a happy and healthy month!
